to the beach, spending time with my kids,
and Zumba. 😊

Statement - 75 words or less (one and two letter words are not counted): I ask for your support to
continue as Elementary VP of the TFT. For several years, I
have served in this role, providing support and guidance to
many members around the district. I believe the strength
and value of our members is enhanced by our unity.

Now, more than ever, it's important for educators to
unify our professional voices. We must work collectively and
inclusively to maintain high standards for the betterment
of all our students.

Hello, my name is Erin Michaelis and I have been with the Taylor Schools since 2003. My entire career has been spent in elementary education across all grade levels which is one of the reasons why I feel like I would be a good fit for the executive board. I am interested in representing all of the TFT members equally and fairly and helping to make a change. My main goal is to make Taylor a better place to work as well as a better place for our students to get an education. I enjoy listening to my colleagues and working together to solve problems in a peaceful and logical way. I thank you for your consideration and vote.
